

Art.no. **9060**

Automatic rewind, **spring-driven** hose reel, **series THIN REEL**, in painted steel, suitable for hoses of max 25 m length (ø hose 1/2").
This hose reel is equipped with a swivelling bracket which allows a rotation of 90° so that a laterally installed reel can be used then forward-facing and can be repositioned easily again after use.

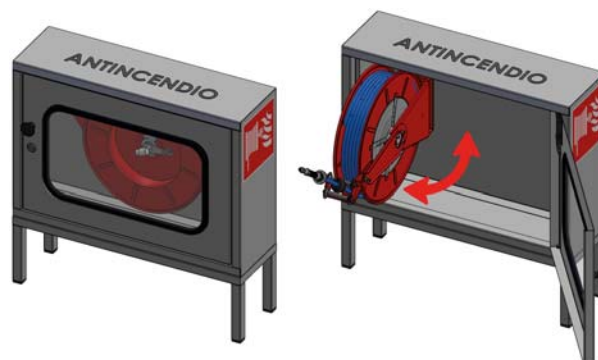

Art.no. **9060M**

Automatic rewind, **manual-driven** hose reel, **series THIN REEL**, in painted steel, suitable for hoses of max 25 m length (ø hose 1/2").
This hose reel is equipped with a swivelling bracket which allows a rotation of 90° so that a laterally installed reel can be used then forward-facing and can be repositioned easily again after use.

Example of enclosed space application. The reel is easily adjustable thanks to the pivoting wall bracket.
